

PERFORMANCE PAY PLAN EXAMPLE CUSTOMER ACQUISITION MANAGER (CAM)

Pay & Profit Overview

50% Operation Pay Profit | After You Pay the "Delivery Carrier | Driver" – What's Remaining = Profit

Loads Per Day	Earning Per Load 50% Off Profit	Daily Income	Weekly Income	Monthly Income	Yearly Income
# Of Customer	\$100 Profit Example After Paying Carrier 50% Profit = \$50				
Based on One (1) Customer	\$50 Profit x5 Loads Daily	\$250 x7 Days	\$1,750 x4 Weeks	\$7,000 x12 Months	\$84,000

The above Performance Pay Example is based on Customer Acquisition Manager having one (1) good customer that process five (5) shipments daily. The purpose of this example is to show that you only need a few good customers to generate a six-figure income.

Our Customer Acquisition Manager pay ranges between \$76,800 - \$188,000. You can earn more or less based on your performance and number of customers.
